

## REMARKS

Reconsideration of the subject application as amended herein is respectfully requested. The Examiner has indicated that claims 38, 39 and 41-45 will be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Accordingly, claim 38 has been cancelled and its limitations have been incorporated into claim 34. New claims 47-52 are also presented which contain the limitations of original claim 34 and claims 39, 41, 42, 43, 44 and 45.

The Examiner has objected to the drawings because they did not show a "wearable housing." Since the claims with this limitation have been canceled, this objection is now mute.

It is respectfully submitted that the subject application is now in condition for allowance. A notice to that effect is respectfully requested.

Enclosed herewith is a Petition for Extension of Time under 37 C.F.R 1.136(a) accompanied by a small entity fee of \$ 60.00 in compliance with 37 C.F.R 1.17(a)(1). If any additional fee is required, authorization is hereby given to charge the amount of any such fee to Deposit Account No. 07-1730, Docket No. 3896-002. A duplicate copy of this sheet is attached for that purpose.

Respectfully submitted  
Gottlieb, Rackman & Reisman, P.C.
